# **WSST-TV OUTREACH ACTIVITIES**

## **MENTORING PROGRAM**

Our station mentoring program is to enable our employees full and part time to reach their maximum potential in the broadcast industry. Our senior management has established a program to critique their performance and help them gain the skills they need for their potential advancement.

We held periodically sessions with a long time employee, Jimmy Holloway, who is an Account Executive.

We also held periodically session with long time employee, Lee Wright, who is an Account Executive and Program Director

We also held periodically session with our part-time weekend employee Steven Ray who holds a degree in Graphic Design. Steven works on weekends as a master control operator and camera person and he also did some graphic designs for WSST.

## **JOB FAIR**

We did not participate in any job fairs during this reporting year.

## **JOBS TV**

WSST in conjunction with the Ga. Department Of Labor telecast every Sunday from 7:45 - 8:00 AM employment opportunities from the area and around the state. We are promoting with announcement on the air when these programs may be seen.

## **INTERNSHIP PROGRAM**

WSST offered an internship to Hanna Donovan. She is a freshman in College. Hanna is still doing contractual work with WSST when she is at home from college. Hanna was a very successful candidate. She participated in various parts of our station. This includes master control operator, filming and doing interviews. She also appeared live on our Video Hits Program. Hanna was a very active member of the Crisp County 4-H.

WSST offered an internship to Damaya Gee, a Senior at Crisp County High School. Damaya was referred to us through the Crisp County School System. She is employed as an intern with WSST from September 3, 2016 to present. Demaya is a master control operator trainee. During this internship she will be paid a small salary.

WSST offered an internship to John Mitchell Sineyard. John is a Freshman at a Tech College. John is employed as an intern with WSST from April 16, 2016 to present. John is a master control operator and a camera person. During this internship he will be paid a small salary.
